

Dear Family and Friends,

Did you know that “Reading Rocks”?

Yes! I think “Reading Rocks!” and I am going to prove it by participating in my school’s Read-A-Thon! This Read-A-Thon will not only get me excited about reading more, but it will also raise money for the Wilton Education Foundation. That means the money I raise will help Wilton’s public schools!

The Wilton Education Foundation does lots of great things to support our schools. They have raised money for things like the Miller-Driscoll TV Studio and the Cider Mill Virtual Reality Lab.

Here is my pledge:

I, _____ (*student’s name*) pledge to read the following during the reading period of January 25th through February 8th. I understand that this reading is in addition to any homework or schoolwork I may have. (*Please mark an X in one box below and fill in the blank.*)

- Read _____ minutes / books (*circle one*) on my own
- Someone else (*a parent, sibling, caregiver, etc.*) will read _____ minutes/books (*circle one*) to me
- Other (*read aloud to someone, to a pet, other*) _____

Since you are pledging your support to the commitment I have made above, I need to collect the money right when you make your pledge. (*I prefer an online donation but I can also accept cash or checks made payable to Wilton Education Foundation.*)

To donate online visit our website at <https://wiltoneducationfoundation.org/events-programs/reading-rocks>

For every \$5 I raise, my name will be entered in a drawing to win an iPad or a Kindle Fire! I am excited to read and I promise to do my best to finish what I committed to do because “Reading Rocks!” **Thank you for supporting me!**
